- The payment amount prior to enrollment is an even JPY 755,000 for each course. Payments for residence in Japan for longer than 1 year will be calculated in units of 3 months, and will be billed at a later date.
- Handling fees such as transfer fees must be paid for separately by the applicant.
- As a general rule, all deposits made such as admittance screening fees, enrollment fees, and course fees, etc., will not be reimbursed.
- Out of applicants who have completed enrollment procedures, those who decline enrollment by the period that the Academy has designated will be reimbursed for the payment made excluding the screening and enrollment fees after confirmation that the Certificate of Eligibility for Resident Status that has been sent to them has been returned.
- For cases in which the applicant could not acquire a visa from the overseas embassy, etc. even after the Certificate of Eligibility for Resident Status has been sent to the applicant by the Immigration Bureau, the applicant will also be reimbursed for the payment made excluding the screening fees after confirmation that the
- With respect to the short-term course, details are as detailed in the Short-term Courses Recruitment Guidelines.
