

Wakayama is the best place to stay and study

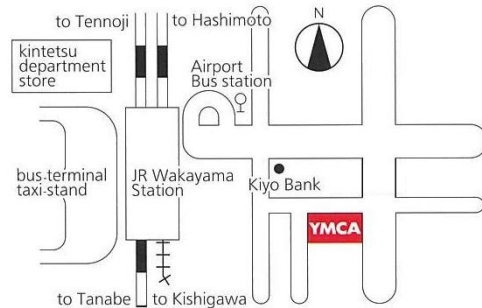

Wakayama city is a comfortable and convenient city, with a population of 400,000 is about a 40-minute bus ride from Kansai international airport and around 1-hour train rides from Osaka.

Wakayama-city is a temperate climate, beauty with nature and the sea. You can enjoy leisure activities, such as many beautiful cherry blossoms in spring, sea activities in summer, tinted autumnal leaves in autumn, and hot spa in winter.

The cost of living is low compared to big cities like Tokyo or Osaka; thus the city environment, which creates an excellent academic atmosphere.

Please feel free to ask us.

Various extra-curricular activities are held in each semester.

3. Curriculum

Lessons are taught with the goal of developing the 4 basic skills of reading, writing, listening and speaking. The homeroom teacher is always there to support the students for their various questions. Above intermediate level, we offer the elective class for study at university/college or for business conversation.

For Beginner 1 (N5):

- We use "Minna no Nihongo 1" as materials.
- We review the sentence pattern of basic grammar and advance to intermediate.
- We train to acquire natural pronunciation and intonation, skills to compose and comprehend long sentences, and to oral fluency.

For Beginner 2 (N4):

- We use "Minna no Nihongo 2" as materials.
- We review the sentence pattern of basic grammar and advance to intermediate.
- We train to acquire natural pronunciation and intonation, skills to compose and comprehend long sentences, and to oral fluency.

For Intermediate (N3-N2):

- We use "Chukyu kara Manabu Nihongo" as materials.
- We train to master the skills of picking up necessary information, understanding Japanese own speech level and answering correctly for the questions.
- We train to improve the skills of understanding the flow of sentences by rapid reading and intensive reading.
- We train to improve the skills of summarizing long sentences and writing constructed composition.
- We train to pass the level N3 and N2 of Japanese Language Proficiency Test (JLPT).
- We offer the preparatory subject such as Mathematics, science and Social studies classes for Examination for Japanese University Admission for International Students (EJU), and study at university and college. *Elective class
- We train to improve the skills of basic business conversation. *Elective class

For Advanced (N1-):

- We use "Jidai wo Yomitoku Jokyū Nihongo" and real materials such as article of newspapers.
- We train to improve the skills of listening conversation at various scenes and also understanding the content of TV program and news.
